1. I am the bread of life; no man cometh to the Father but by Me.
2. I am the bread of life, no man cometh to the Father but by Me.
3. I am the bread of life (1) behold, no man cometh to the Father but by Me (2).
4. I am the bread of life; see what I have said.
5. See Me. Behold the lamb, slain from the foundation of the world for you (3). Me, behold Me, I Am. I am I Am.
6. I am the only I Am, slain from the foundation of the world for you, for Me, that I might become the Bread of Life for you. Amen.
7. I love you and I give you Me.
8. I am the bread of life.
9. I am the vine.
10. I am the fruit of the vine.
11. I am blessed.
12. I give and I receive.
13. I am the bread of life.
14. I am the vine.
15. That thou hast Me, you have comprehended.
16. That you have Me, you have grasped.
17. That I reside in you in residual-ness not, but in fullness you now have been given (4), affirmed, and knowing evermore you will; that you are Me, that I am Me; that we are Me; that I and My Father are one, that you and your Father are one; that we and our Father are one; yea, one-ship must be grasped. Yea, more so and deeply and in depth and breadth by My body.
18. My body must learn to eat and drink of Me (5).
19. I love you; I give you Me.
20. I am the vine; you are the branches. **How will you be nourished without My words** (6)?
21. I am coming unto you in power.
22. I am come unto you in grace.
23. I am coming to you in majesty and splendor.
24. I am the bread of life; hear Me, see Me, feel Me, and become Me.
25. I am the bread of life and what I offer you is Me.
26. What I offer you is to become Me.

27. Behold Me; all I have said; all I am doing and what is so new to so many who so complacent have been in residual-ness and not exploiting My power, even at My own request.

28. See Me; hear Me; exercise Me in that which I have been given unto you by Me, by Father; yea, one: behold. I am the bread of life, true life, abundant life, the meaning of life, essence of life, joy of life. But so many yield not to My love and try so hard to not eat My bread when what I hold out before them is, yea, bigger than life; yea, bigger, better, farther, and so much beyond.

29. All fails the descriptor of My love and grace who into Me comes for the bread of life that takes them into maturity; that takes them into Me, the fullness of Me, the fullness of the Godhead bodily (4)(7).

30. Scary, scary, some say; and apply all sorts of meanings, rationalities and excuses; and yea, all the time I am there; I am there within, the bread of life, the meaning of life, the essence of life, the procurement of life in dimensions unseen, unknown and unexplored, un-obtained, attainable, given, requested, invited and so lovely, the bread of life if they so choose, if they will choose, if they will eat My words and become My words, letting Me pass through their lips to each other I so desire, I designed.

31. I designate the bread of life to come through the bread of life, to be the bread of life and life give to each other: My blood flowing in My body as I designed. I love you; I give you Me.

32. My scriptures never stopped, My word, My words never stopped, "the end" should not be; not yet; all will know when the end is and it will be unmistakable.

33. I love you; I give you Me. I give you the bread of life beyond the simple, the realm of formulas complex, the realm of diamagons.
